

DR. BOB KHANNA (B.D.S) & ASSOCIATES

Dear Patient,

We are delighted to update you on our new website www.ascotdental.co.uk the new website provides you with lots of information about the treatments offered at the surgery and there is a patient contact form for you to use to contact the clinic with any questions that you may have.

FACIAL AESTHETIC TREATMENTS

As most of you are aware, Dr Bob Khanna is an extremely experienced implantologist, cosmetic and reconstructive dental surgeon. But did you know that he is an internationally acclaimed expert in dental facial aesthetics and has now lectured and trained to over 4500 dental and medical professionals in the use of Botox® and dermal fillers! We are all very proud of him as by providing training to medical and dental professionals in the UK, he is helping to standardise the treatment and thereby making Botox® and dermal fillers safe and widely available for patients across the UK. Dr Bob Khanna is the Founder and President of the International Academy of Advanced Facial Aesthetics, a non-profit organisation. We are delighted to therefore be able to offer Botox® and facial dermal filler treatment at the clinic for the treatment of facial lines and wrinkles.

DENPLAN AT THE CLINIC

The practice offers **Denplan Essentials** to all patients. We believe that this is a value for money and worthwhile scheme for all of our patients as Denplan allows you to spread the cost of your check ups and hygienist visits over the year by paying a fixed monthly sum. There are many other benefits to Denplan

- All X-Rays included
- 24 hour worldwide emergency helpline when you are away from home
- worldwide dental accident and emergency cover
- £60 for every night spent in hospital under the care of a dental or oral/maxillo-facial surgeon
- Up to £12,000 mouth cancer treatment costs and smokers are not excluded from this cover

For all Denplan registered patients we also offer a 10% discount on all private dental treatment and facial aesthetic treatments.
